SILVER WEALTH

Don't Lose What's Yours, Maximize Benefits with... Silverwealth

# **Maximize Social Security Benefits**

Social Security benefits can start as early as age 62, but with reduced benefits. Benefits are also available if spouse or ex-spouse is eligible for them. Widow and widowers can also claim benefits on the record of their spouse. Benefits are also available for certain dependent children. Pension from government and work during retirement can affect benefits. Depending on when you take them and how you take them, **difference in benefits can be tens of thousands of dollars** over your lifetime.

Personalized recommendations are available in just two minutes and for FREE for limited customers only.

## **Improve Retirement Income & Financial Clarity**

Get a handle on your income and expenses on a monthly basis as well as long-term.
